Peter is an experienced educator and school leader who has worked as a Teacher, Consultant, Principal and Coach in Victoria, Malaysia and Northern Territory. He is passionate about teaching and learning and in particular how leadership and strategic planning influence school improvement.

In his Principal roles Peter worked towards determining and developing effective and consistent instructional models, building organisational health, using data to inform teaching, and engaging communities with their schools. Most recently, he has been coaching beginning teachers and aspiring school leaders in order to build capacity in regional and rural areas; and facilitating workshops for school councils and their presidents to inform and strengthen governance.

In addition to his career in education, Peter maintains a high level of interest in sustainable natural resources as Chair of the Wimmera Catchment Management Authority and is a volunteer firefighter with the Country Fire Authority.

Peter holds a Bachelor of Science and a Diploma of Education and is a member of the Royal Australian Chemical Institute, the Australian Council for Educational Leaders and the Australian Institute of Company Directors. He is an Accredited Coach (Growth Coaching International) and retains registration with the Teacher Registration Board of the Northern Territory and the Victorian Institute of Teaching.
